Supervisor May called the board meeting to order at 7 p.m. at the Town Hall located at 3529 Rt. 20A, Warsaw, New York.

Supervisor May opened with the Pledge of Allegiance; all were thanked for attending the meeting. There were no questions from those attending.

Justa Goodell was introduced to the Board, Justa explained that there has been a determination of a dangerous dog at Robin Lane. In 2022 there were complaints and Justa has received more complaints and statements from neighboring residents. The Judge determined last week that the dogs were dangerous. The animals will have to be neutered, microchipped, proof of insurance and notify the court when this is complete. Orangeville has a law that was made in 1997 and put into place in 1998. Justa discussed how adding a “running a large” section would put some teeth into the law and give her some leverage to have residents follow the law. There are fines included in this law, and assist the court. The Board thanked Justa for bringing this information to them and will send this information to David DiMatteo’s office for review.
