**Q. *What should I know before hiring a tree contractor?***

- A. First check the California State License Board to find out if the contractor has a license in the state of California. Rules vary from state to State.

**Q. *Can a Landscape license work for doing tree work?***

- A. There are variables to this answer. Landscape contractors carry different insurance than tree contractors. Landscape insurance will not cover the contractor or you if they go over twelve feet in a tree. Tree contractor insurance will cover you entirely.

**Q. *What do I do if a contractor says they do NOT need a bond, insurance, or workers comp?***

- A. Anytime a tree or contractor shows up on your property and they have workers, they MUST have workers comp. If the employee is hurt on your property YOU as the owner of the land can be sued and the contractor can sue you as well. We are all mandated in the State of CA to have a bond, and tree liability insurance. The rules apply to everyone.

## Then

The Rose family began their funeral home in 1951. The building, originally a hardware store, sat on a two lane Clark and Bille roads.

Joanne and Fred Cosgrove in November 1961, in their shared office at Rose Chapel.

## Now

#FD899

Today Rose Chapel Mortuary and Crematory still resides at the same location.

## Serving the community since 1958

Rose Chapel was established by the Rose family in 1951. Paradise was a growing community and the business flourished. After several years the Rose family relocated and sold the business to Fred and Joanne Cosgrove. They became an important and involved part of the ridge business community. Their girls, Pam and Kim, were raised in the family business. While the elder Cosgroves' retired the Cosgrove family continues the daily operations with long-time manager, Eric Smith.
