Kitchen & Bathroom TRANSFORMATIONS

True Story for all out there, check this out...

We did our homework—estimates, timeline, references, on and on—for our kitchen remodel. Bottom line: we saved a bunch of cash and got it done right by calling KBT!

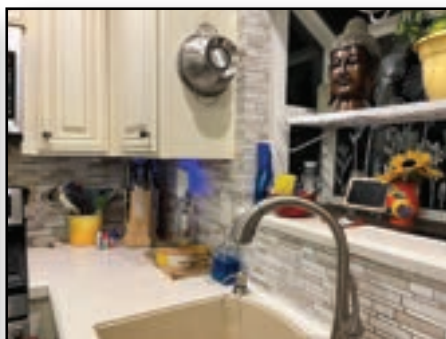

We went from mid-'90s oak cabinets with grouted counters to what you see here...

IN THREE DAYS!!!

As I'm writing this, they're doing another one of our bathrooms.

Why? You know why—see for yourself!

We're the Orlandos, on Facebook if you need more!

Winter = Stress on Your Septic = Money Out of Your Pocket!
Service Before the Expense of Repair!

- Heavy rain + holiday guests put extra stress on your septic system
- Rain-saturated soil leads to inefficient leach field draining
- More company = more water use

When tanks get too full during wet weather, solids can be pushed into the drain field—a serious and expensive fix.

We on the Ridge know to have our tanks pumped, but life can get in the way.

Just pick up the phone—we offer a ***Free Reminder Service*** to help keep you on schedule!

We Are Here to Help. Visit us at ChicoSeptic.com for tips you can use to keep your system from stress, or to schedule a tank pump-out.

Then

The Rose family began their funeral home in 1951. The building, originally a hardware store, sat on a two lane Clark at Bille roads.

Joanne and Fred Cosgrove in November 1961, in their shared office at Rose Chapel.

Rose Chapel was established by the Rose family in 1951. Paradise was a growing community and the business flourished. After several years the Rose family relocated and sold the business to Fred and Joanne Cosgrove. They became an important and involved part of the Ridge business community. Their girls, Pam and Kim, were raised in the family business. While the elder Cosgroves retired, the Cosgrove family continues the daily operations with long-time manager, Eric Smith.
