Each year, the Women Build fundraiser brings people together from across Northern California to help build homes in partnership with families seeking affordable homeownership. A safe, affordable home creates stability, security, and opportunity for generations—and we invite you to join us through participation and partnership.

🏠 **Come build with us!** 🏠

Participants

The participant fee is **\$250 per person**. Most participants pay a deposit and fundraise the remaining balance. Each participant receives a personalized online fundraising page and an email with the link and clear instructions on how to share it with friends and family. **Top fundraisers who raise the most beyond their entry fee will be entered to win a donated weekend getaway to Napa.**

The participant fee includes a light breakfast, lunch, a construction apron, and a Women Build T-shirt.

Business Sponsors

As a Women Build business sponsor, **your logo will be featured** in monthly emailed newsletters reaching over 2,500 subscribers, on banners, social media, and our website throughout 2026. Sponsors also have the opportunity to **bring a team** to build together at Women Build and will receive **social media recognition** on Facebook and Instagram, including business tagging to share on your platforms with your audience.

To learn more about participation, business sponsorship, or to make a donation if you're unable to attend, visit buttehabitat.org/women-build or scan the QR code.

Habitat for Humanity brings people together to build homes, communities and hope.

Winter = Stress on Your Septic = Money Out of Your Pocket!
Service Before the Expense of Repair!

- Heavy rain + holiday guests put extra stress on your septic system
- Rain-saturated soil leads to inefficient leach field draining
- More company = more water use

When tanks get too full during wet weather, solids can be pushed into the drain field—a serious and expensive fix.

We on the Ridge know to have our tanks pumped, but life can get in the way.

Just pick up the phone—we offer a *Free Reminder Service* to help keep you on schedule!

We Are Here to Help. Visit us at ChicoSeptic.com for tips you can use to keep your system from stress, or to schedule a tank pump-out.
