

PRODUCT

ORGANIC LAMB MEAT

BRAND

RANCHO UBUNTU AGUASCALIENTES

Social farm founded on the limits of Garabato, Pabellón de Arteaga, Ags., where the life cycle of organic lamb is developed; controlling the full process starting from the crops growing until the reproduction and growing of lambs.

This is where we take care of our lambs, the soil and the overall experience of people working at our farm, by having a culture of inclusion and social development.
