## Theme from E.T. (The Extraterrestrial)

- John Williams, Arr. by J. Ployhar

The Extra-Terrestrial is a 1982 film that tells the story of Elliott, a boy who befriends an extraterrestrial, dubbed, "E.T." who is stranded on Earth. Elliott and his siblings help E.T return to his home planet, while keeping him hidden from the government. The concept was based on an imaginary friend Spielberg created after his parents' divorce in 1960.

## G – Minor Symphony (No. 40) First Movement

- W.A. Mozart

Symphony No. 40 in G minor, K. 550 was written by Wolfgang Amadeus Mozart in 1788. It is sometimes referred to as the "Great G minor symphony", to distinguish it from the "Little G minor symphony", No. 25. The two are the only extant minor key symphonies Mozart wrote.

## Game of Thrones (Main Theme)

- Ramin Djawadi, Arr. by Javier Martinez

Ramin Djawadi began composing the music for the show after he had watched the first two episodes of the series. The show creators wanted the main title theme to be about a journey as the characters in the show and the narrative involves much traveling. He said that after he watched the visuals for the title sequence, he conceived of the idea for the theme on the drive back to his studio. The finished theme music was presented to the producer three days later. Djawadi chose cello as the main instrument for the music as he thought it has a "darker sound" that suited the show.

## Amazing Grace – Soloist, Cynthia Cournoyer

Traditional, Arr. By Matt Riley

A Christian hymn published in 1779, with lyrics written in 1772 by the English poet and Anglican clergyman, John Newton. He wrote the lyrics from personal experience. American composer W. Walker wrote the melody based on the song, *New Britain*. It is sung at least 10 million times per year.

## English Translation of Prendi I Miei Sogni

Grab Hold of My Dreams (Prendi I Miei Sogni )

I live each day  
In sleep and uncertainty  
But when the night and the stars come out  
The moon and shadows overcome me

Grab hold of my dreams and  
Surprise me  
The day will come and sweep fear away.  
Lovely images of the evening light  
Will fade if you're not here with me.

I wander in the desert of your soul  
And good fortune will I seek.  
If you will follow me,  
I'll show you the love we've never known.

Grab hold of my dreams and  
Surprise me  
The day will come and sweep fear away.  
Lovely images of the evening light  
Will fade if you're not here with me.

Our days will never send you away.  
You are an image that brings me light.  
My light will fade away  
If you're not here with me.

## Program

### Romeo and Juliet Overture

- Tchaikovsky, Arr. By Jerry Brubaker

A much-loved concert piece, this overture presents a variety of characters and moods, but not in order of the play's events. The overture contains many musical contrasts; serene melodies, somber and reflective, contrasting with the soaring love theme and subsequent violence. Finally the love theme changes to a melancholy one as the piece ends.

### Prendi I Miei Sogni – Soloist, Mike Stapley

- Colin O'Malley

See the English translation on page 7. Sung by Nathan Pacheco, *Prendi I miei Sogni*, which is Italian, translates to "Grab Hold of My Dreams." It was written by Pacheco's friend Colin O'Malley, a good friend of Pacheco's who, when he found out that Pacheco was going to be singing with the Mormon Tabernacle Choir, wrote choir parts specifically for them. And while rehearsing with them, Pacheco said he was moved to tears.

### Across the Stars (Love Theme from Star Wars: Episode II)

- John Williams

*Across the Stars* is the primary thematic music of Star Wars: Episode II and III. The piece accompanies the romance between Anakin Skywalker and Padmé Amidala, and is used frequently throughout both films.

### Ecstasy of Gold – Soloist, Alissa Barry, with singers

- Ennio Morricone, Arr. By F.R. Cunha

*The Ecstasy of Gold* is one of Morricone's most famous compositions from one of his most famous works — the score for 1966's *The Good, the Bad and the Ugly* — and it has served as Metallica's walk-on music for nearly four decades.

### Finlandia op. 26

- Jean Sibelius

Written in 1899 and revised in 1900. The piece was composed for the Press Celebrations of 1899, a covert protest against increasing censorship from the Russian Empire. To avoid Russian censorship, *Finlandia* had to be performed under various titles at various musical concerts. The rousing and turbulent music evokes the struggles of the Finnish people.
