Unfinished Symphony #8, Movement 1

- Franz Schubert

This is a musical composition that Schubert started in 1822 but left with only two movements—though he lived for another six years. To this day, musicologists still disagree as to why Schubert failed to complete the symphony, although there have been a lot of theories.

Grand March From Tannhäuser

- R. Wagner, arr. by V. Leidig

Composed in 1845, the *Grand March* is from an opera based on the combined stories of Tannhauser, a legendary medieval German bard and poet, and the Minnesinger's (bards) song contest at Wartburg.

The Hebrides Overture – Fingal's Cave

- Felix Mendelssohn

The Hebrides was inspired by one of Mendelssohn's trips to the British Isles, specifically an 1829 excursion to the Scottish island of Staffa, with its basalt sea cave known as Fingal's Cave. In 1834, a year after publication, a new edition appeared with the name *Fingal's Cave* and this title stuck, causing some confusion.

Moon River

- Mercer & Mancini. arr. by John Moss

Moon River is a song composed by Henry Mancini with lyrics by Johnny Mercer. It was originally performed by Audrey Hepburn in the 1961 movie *Breakfast at Tiffany's*, winning an Academy Award for Best Original Song.
