## Fresno County Has a New Voice!

### Soft Launch: We Need Your Help!

#### Fresno County Has a New Voice – Christian NewsMagazine & Logos Daily News

We're getting ready to launch something new—and we want **YOU** to be part of it!

**Christian NewsMagazine and Logos Daily News** are preparing for a **soft launch and beta test**, with our official rollout coming **July 28th**.

Our mission is simple: to become **“A Voice for the Christian Community”** in Fresno County—covering the stories, events, and issues that matter most to believers. But to do that, we need your help to build it right from the start.

#### **WHY A CHRISTIAN NEWS PLATFORM?**

Fresno County is home to a vibrant and growing Christian community, yet so many of our stories go untold. Local ministries, outreach programs, church events, and Biblical perspectives on important issues often get little or no coverage in mainstream media.

**Christian NewsMagazine** and **Logos Daily News** are here to change that—by giving Fresno County a trusted, faith-based news source across **print, digital, and broadcast**.

#### **HELP US BUILD IT!**

During this **beta phase**, we're looking for:

- **News tips & story ideas** – What's happening in your church, ministry, or Christian school?
- **Community calendar submissions** – Help us create Fresno County's most complete **Christian events calendar**.
- **Contributors & correspondents** – Writers, photographers, and videographers who want to help tell the stories that matter.
- **Feedback & input** – Tell us what you'd like to see covered and how we can make this platform serve you better.

### **THREE WAYS TO CONNECT**

1. **Monthly Print Edition** – Full-color **Christian NewsMagazine**, with in-depth stories, ministry highlights, and local coverage. (FIRST EDITION SEPTEMBER 5<sup>TH</sup>)
2. **Weekly Online Magazine** – A fast, digital-first news hub with timely updates, devotionals, and inspiring features. (FIRST EDITION AUGUST 15<sup>TH</sup>)
3. **Logos Daily News WebTV & Radio** – **Daily newscasts, interviews, and live event coverage**, streaming straight to your screen or speakers. (FIRST NEWSCAST: JULY 28<sup>TH</sup>)

All of this comes together at **www.ChristianNewsMagazine.com**—your one-stop source for Christian news and community information.

### **A PLATFORM BY THE COMMUNITY, FOR THE COMMUNITY**

We see this as more than just a news outlet. It's a **movement**—a place where believers can connect, share, and stay informed.

- **For churches:** Publicize your events, ministries, and announcements.
- **For believers:** Access trustworthy, Christ-centered news that encourages and equips you.
- **For businesses:** Partner with us to reach loyal Christian readers and listeners who value faith-based commerce.

We're committed to **Biblical truth, journalistic integrity, and shining a light on what God is doing in Fresno County.**

### **JOIN US ON THE JOURNEY**
