- Everybody might have noticed that we need a proper space for our events and meetings, and we need funds for that. After thinking and discussing on this matter, members decided that 'Raffle tickets' will be used for fund-raising. Three lucky-draw winners will be announced. All the members of the group will be informed once we will get the tickets in-hand, so we can buy the tickets for ourselves and sell to anybody who want to support Indo-UK Community. More to be informed when the tickets will be ready.
- For Christmas, we are planning for the 'secret-Santa' concept. On 1st December everybody will be informed whom they are secret-Santa for! Then you can plan and buy a small present for them. Please note that nobody should offer a gift of more that £10. On 18th December, we will be gathered at an open place for the Carole singing and the gifts will be shared. The venue and time to be decided.
