All of our companion pet puppies are sold with AKC Limited Registration and spay/neuter contracts. This means that the dog is eligible to be registered, however, none of the offspring are eligible for registration. In other words, this dog is NOT to be bred. A dog with Limited Registration, as well as a spayed/neutered dog can compete in all AKC events except in the Conformation (Breed) ring.

When completed, you can return it to SonoranStaffords@gmail.com. Completing the application does NOT guarantee a puppy, but helps us find the right companion for your household. We will review all applications received. Be aware, we do not always have puppies available.
