

# PREFACE/مقدمة/PRÉFACE

*Dear young readers,*

*The stories you are about to read are born from the hearts and minds of storytellers who believe in the power of words to heal and inspire. Each tale is a miniature universe, a world where dreams come alive, and where love and friendship triumph against all odds.*

*Although these stories may be works of fiction, their purpose is very real. They are created with the intention to bring joy, comfort, and a momentary respite from the hardships you may be facing. We understand that the burden of war weighs heavy on your young shoulders, and we hope that through these stories, a glimmer of hope will find its way into your hearts.*

*Know that your dreams matter, your voice is heard, and your potential is limitless. As you read these stories, let your imagination fly high above the clouds, for it is through the power of imagination that we find solace, inspiration, and the strength to heal.*

*This book is a small token of our solidarity and support, a humble offering to remind you that you are cherished and loved. May it serve as a gentle reminder that even amidst the challenges, you possess the strength to dream, to hope, and to shape a better future.*

*With love and wishes for a brighter tomorrow,*
