2026 St. Philip's Guest Lecture Series

Please register at ewallingford2004@yahoo.com. or 410-742-1837. Meetings are on the second Monday of the month (except for Dec.) at 1 PM. and provided as a free community outreach program, Apr.-Dec.

April 13- Need some balance in your step? Come to 'Musical Chair' with Dorothy 'Dottie' Lecates for music and motion. No pushups, no sit ups, just rhythm and rhyme to improve your mobility. Activities are based on MPTV's "Sit to Fit" with Mary Ann Wilson, nurse and fitness instructor. Bring a tennis ball!

May 11- "A Summer Selection" will be the bill of fare from the ladies of St. Philip's. Sip, spoon and savor a smoothie, a soup and a salad. Samples and recipes will be provided.

June 8- Ginny Rosenkranz of the University of Maryland Extension Service, Commercial Horticultural Extension Educator, TV Star and more will bring the outdoors, indoors. With cuttings and soil from her own garden, she will help you sprout your own node nook-a potted, plant-patch. Additionally, Lauren Nardone will demonstrate how to create your own whimsical marvel of a flower pot. All materials provided. Later, you may contact Ginny at rosnkranz@umd.edu or 301-226-7715.

July 13- As America celebrates her 250th birthday, our local Wicomico Historical Society will reflect on Wicomico County's beginning with Jim Morris exploring the genealogy of our settlers and how immigration has changed over the years. Jim is President of Wicomico Historical Society and Past President of Preservation Trust of Wicomico and Lower Delmarva Genealogical Society. For more info contact Jim at jgmorris@comcast.net or 410-742-4059.

August 10- Radio Shack once advertised, "If you have questions, we have answers." Now, St. Philip's offers Laura Vodak-Reid to take over that motto. By June 8, send your questions regarding computer and cell phone use to (specgls@gmail.com) or to the above email. She will with patience and knowledge answer your questions on Aug. 10 but only if questions are submitted by June 8.

September 14- Would you like to learn how to crochet? If so, sit for a spell, loop a hook and Kelly White will supply all materials and instruction with humor, video, handouts and trivia. You will go home with a crocheted 'chain'. No experience necessary. More info can be obtained at kellyw@wicomico.org or 410-749-3612 Ext. 119 or look for Crochet Corner at the Wicomico County Library.

October 12- This is one for the books, favorite books, that is. If you would like to share a favorite book, send the title and author to Elaine at the above email address or call by September 14 to create a master list of great reads. Each participant may read one page and give a summary of the chosen title. This might just be the beginning of a beautiful relationship or a book club.

November 9 -CPA Betsy Lescallett, Principal at UHY Advisors, Inc., will be on hand to offer tax tips especially for seniors. Tax breaks, tax credits, time lines, charitable considerations and more will be detailed with conversation and handouts. The IRS was never so pleasantly discussed! For further help, Betsy can be reached at blescallett@uhy-us.com or 443-332-5564 or 410-742-1328.

December 7, 8- The annual live greenery workshop will be held for two days to accommodate all participants. This year's seasonal splendor will feature swags created with magnolia, pine, holly, berries, ornaments, bows and more. The St. Philip's ladies will give instruction and encouragement. Just bring your holiday spirit and we'll do the rest. All materials provided.
