"...a country church committed to a spiritual journey..."

Greetings St. Philip's members, family, and friends,

2025 has been a blessed year for St. Philip's Episcopal Church. We have had the blessing of Father Pierce, the Reverend Laura Harbaugh, and our beloved supply priests and Liturgical Committee members leading us through our spiritual year.

We have been uplifted by Daniel Cherrix's treasured music ministry with the assistance of the devoted Betty Crockett.

We have increased our membership, and we treasure each and every one of the new additions to our church family. We have extended our reach into the community through: the Tuesday Men's Group; the Oyster/Chili Events; the Apple Cider Event; our Lecture Series; Attic Artists; Art Camp and the camaraderie of Saturdays at the Church Mouse.

We have supported multiple deserving missions such as: Westside Primary School, the MAC Center, HALO, Green Hill Church, the St. Paul's Episcopal Church Food Bank, T2Tunnel, Hebron Fire Department, and the Texas Flood Relief. **We have had an impact on many lives this year; we are truly blessed to be able to share our time and treasure.**

Our physical properties also received multiple visible upgrades this year. Our beautiful church entry doors were refurbished; we painted the Parish Hall 2nd floor and the outdoor windows. We purchased a shed to house our income-generating Church Mouse goods and replaced our parish kitchen dishwasher. We improved our grounds with tree removal and driveway grading. We painted the rectory shutters and upgraded a portion of the kitchen. All of these projects were accomplished with either targeted member donations or the use of general investments and funds. We are so lucky to have members that wish to sustain our church's physical footprint.

We are small, but nimble. We are quiet, yet powerful. The ties that bind us together are deep and long lasting. As Father Pierce stated recently, "St. Philip's is truly special. You can feel the Holy Spirit moving through this church."

We face 2026 with hopeful hearts that we may continue together in this cherished church. Our church is a refuge in a changing world. We need to continue to support the sanctity of the precious treasure we share.

It is extremely helpful for us to know what support we can expect for the new year. As we turn to our budgeting mode, please let us know your planned commitment for 2026.

Please complete the tear-off section below and return as noted below.

In advance, we thank you for your support. If you have any questions, please contact Nancy or Andrea.

Appreciatively,

The Vestry of St. Philip's:

Nancy Hall, Senior Warden
Shawn Harrison, Junior Warden
Laura Vodak-Reid, Registrar
Andrea Williams, Treasurer
Troy Johnson

-----Please cut with scissors and return below portion only -----

Dear Vestry,

In 2026, we intend to contribute \$ _____ every month to St. Philip's Episcopal Church.

You will note that we ask for contributions every month. Our income wavers in the summer months as people are on vacation but our bills do not go on vacation. A regular income stream is the aim.

Please do not sign the statement nor identify yourself in any way. Our only interest is to tabulate the response. ***We would like to have this portion of the letter returned by January 25th.***

We will have a box to collect the letters anonymously at the Annual meeting. Or if you wish to send to the St. Philips Episcopal Church P. O. Box 92, please feel free to do so.

Thank you for your consideration.
