# Helen Razor

Trailer Coming Soon

## SYNOPSIS

Helen Razor and her step-father Dirk, newly arrived by car from Germany, find lodgings in a boarding house in Eastborne. Sharing their small room, Dirk is very needy and gets Helen to supply all his small wants. Helen's method of supplying her father's needs are crude and fundamental. She kills and robs her victims. She operates on a whim, dislike, or pure anger – there is no single rationale for her actions. Yet, however much she tries to please her father, she suffers his constant disapproval. Nothing is ever good enough. At the end of her spree of fourteen killings spanning a weekend, Helen and Dirk decide that Eastborne is not the sort of place that they will ever fit in.

DIRECTOR : Robbie Moffat

CAST: Chloe Mantripp, Gary Grant
