PRINCE2 (PRojects IN Controlled Environments) is a widely used project management method that navigates you through all the essentials for running a successful project. PRINCE2 is flexible and is aimed at all types of projects.

👥 WHO IS THIS COURSE AIMED AT?

The stats speak for themselves - more than 1.5 million PRINCE2 examinations have been taken globally and hundreds of thousands take place each year.

Created based on the experience and insight of 150 European organizations, PRINCE2 has since been updated to keep it relevant in the evolving environment of modern business.

This course is aimed at project managers and aspiring project managers. It is also relevant to other key staff involved in the design, development and delivery of projects including: Project Board members, Team Managers, Project Assurance, Project Support and operational line managers/staff.

🎓 WHAT WILL YOU LEARN?

This course is designed to fully prepare students to sit the PRINCE2 Foundation examination. Successfully passing the exam will also entitle students to sit the PRINCE2 Practitioner examination.

Students will become familiar with the PRINCE2 project management principles and practices and how they can be applied to real-world companies. They will also be able to reinforce their new knowledge via practice quizzes while receiving on-demand support from our in-house team of experienced tutors.

No previous qualifications are required to take this course.

Students who complete this course will learn:

- The key concepts and principles of the PRINCE2 project management methodology

- How PRINCE2 is applied throughout a project's lifecycle

- How PRINCE2 can be adapted to suit different projects, businesses and industries

📋 ACCREDITATION

This course has been accredited by **PeopleCert**, which is licensed by AXELOS as an Examination Institute for the PRINCE2 Foundation Certificate in Project Management.

✅ IS THERE AN EXAM?

The PRINCE2 Foundation examination is a closed-book multiple choice exam. There are 60 questions, with one mark available for every correct answer and 60 marks available in total.

Students will have 60 minutes to complete the exam. In order to pass, students must earn at least 33 marks out of the 60 available (55%).

You can take your exam online (virtually) at any time using the service provided by PeopleCert.
