INSPIRATIONAL GIFTS

It is in
giving that
we truly
receive.

with Love

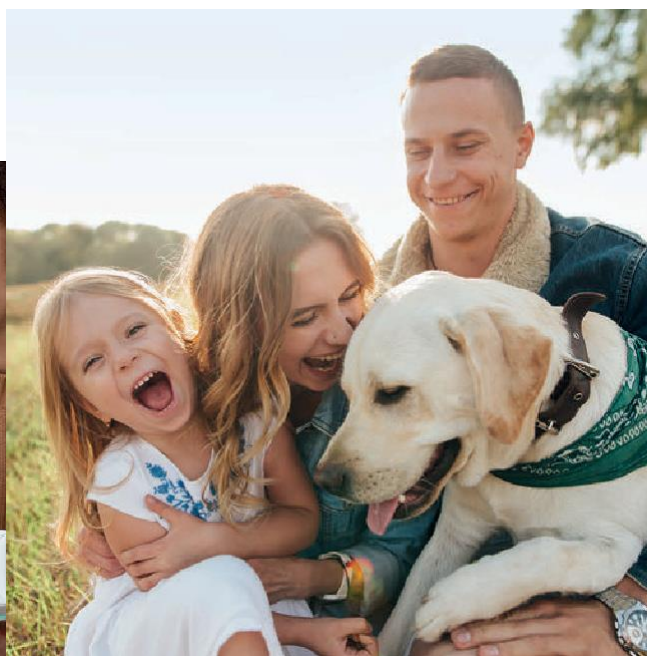

With Love allows us to express the positive, kind, and generous spirit that exists within our myriad of relationships. It allows us to say, "I get you" to a special person in our lives. It lets us show that we care, that we are grateful, that we understand them, and that we are here for them – no matter what.

It's more than just giving a gift, because it is in giving that we truly receive.

THE FUR SIDE

We all know the tug of love between people and their pets – not a single strand of love, but a braided leather leash of love. In fact, many of us find our pets more forgiving and all around more friendly than most people. Pets have personality, after all! They keep us loved, entertained, and keep us on our toes! The Fur Side collection of gifts celebrates our cute, fun-loving, hilarious, gregarious, and shameless pets. We've got gifts for you and some for your pet, too! And even if they can't read the clever puns, the pictures might make them laugh! Gifts from The Fur Side – because people love their pets.
