Each year Grade six students are invited to participate in a Rotary Program facilitated by Mrs O'Reilly and Mr Morris in conjunction with our Moe Rotary Club.

On Monday night, Judy, Axel and Leslie attended Moe's Rotary meeting to present a pictorial display that highlighted their learnings throughout the year of 2024.

In addition, each student gave a speech in which they thanked Rotary for the opportunity and Mrs O'Reilly and Mr Morris for helping them achieve their goals of completing each task. Also in attendance were student's parents and staff members. Congratulations Judy, Axel and Leslie for representing our school with pride.

 We acknowledge the traditional Aboriginal owners of country throughout Victoria and pay our respect to them, their culture and their Elders past, present and future.

PRINCIPAL'S MESSAGE

Dear parents and carers

As shared with you previously, parents and carers of every child enrolled in a Victorian government school in 2025 will receive the one-off School Saving Bonus \$400 support.

In the coming months, the Department of Education will send you 2 email communications for each of your children enrolled in Victorian government schools.

By Friday 18 October 2024, please ensure that your child's 2025 enrolment is completed and that your contact information is up to date.

The 2 emails from the Department of Education will:

1. Confirm your email address between mid-October and late-November.
2. Provide you with your unique \$400 School Saving Bonus code by the end of November.

If you do not receive a confirmation email from the department by late-November, please check your spam or junk folders and contact [insert school contact details] if needed.

You can read more about the School Saving Bonus on the [Department of Education website](#), with key information now available in 14 different languages.

Kind regards

Ian Frost

Side by Side SIB
Achieving results together

Last Friday our whole school had an excursion to watch That Science Gang's performance of, 'You are a Doughnut'.

We were treated to a show about our digestive system. We laughed and gasped as Dewey and Efos explained how the food we eat is digested.

Thank you to our MARC Van teacher, Mr Halliwell for organising.
