**POSITION:** On Call Archaeological/Cultural Resource Technicians

**TYPE:** Project-specific, on-call role

**DATE:** August 12, 2025

---

## ABOUT THE ROLE

Latis Environmental is a growing, Arizona-based consulting firm specializing in environmental permitting, compliance, and cultural resource management. We are seeking **On-Call Archaeological/ Cultural Resource Technicians** of varying experience levels to support environmental and cultural resource projects both in the field and, when applicable, through desktop research tasks. This is an excellent opportunity for technicians to build skills, gain diverse field experience, and work under the guidance of highly credentialed Principal Investigators and senior staff.

This is currently a project-specific, on-call position with flexible hours. Fieldwork will involve frequent travel. Candidates should be comfortable working 8-to-10-hour days in varied outdoor conditions.

## KEY RESPONSIBILITIES

- Conduct cultural resource pedestrian surveys, including site recording and evaluation
- Perform background research at archives, museums, and repositories
- Participate in subsurface testing and data recovery excavations
- Conduct construction monitoring in compliance with agency mitigation measures
- Perform laboratory tasks, including cataloging and organizing artifacts
- Assist with technical report preparation
- Maintain detailed, accurate work logs and field documentation
- Assemble, maintain, and troubleshoot field equipment
- Perform other duties as assigned

## QUALIFICATIONS

- Bachelor's or Master's degree in anthropology, archaeology, history, or related field
- 3+ years of prior related experience preferred
- Familiarity with NHPA, ARPA, NAGPRA, and related state/local regulations preferred
- Proficiency in Microsoft Excel, Word, Adobe, and SharePoint preferred
- Strong attention to detail, ability to follow instructions and work independently and with a team
- Excellent communication, analytical, and organizational skills
- Willingness and ability to travel to project sites and work outdoors in varied weather and terrain and able to travel frequently for extended periods
- Physically able to walk long distances over rough terrain, excavate shovel tests/test units, screen soil, and carry field gear, equipment, and/or supplies (up to 40 lbs)

- Compliance with pre-employment and ongoing drug screening and background check
- Motivated, organized, and committed to working safely with minimal supervision, while understanding and following safety requirements and protocols
- Valid driver's license in good standing

### **PAY RANGE**

\$24 – \$30 per hour, based on experience, education, skills, and market conditions.

### **HOW TO APPLY**

Submit a resume and cover letter to [careers@latisenv.com](mailto:careers@latisenv.com) with the subject line: *Technician Application – [Your Name]*.

### **ABOUT LATIS ENVIRONMENTAL**

Latis Environmental is an Arizona-based environmental consulting firm specializing in permitting, compliance, and technical support for land, water, energy, infrastructure, and development projects. Backed by over 30 years of industry experience, we provide practical, engineering-based solutions that help clients navigate complex regulatory processes efficiently and responsibly. Visit [www.latisenv.com](http://www.latisenv.com) for more information.

### **EQUAL EMPLOYMENT OPPORTUNITY**

Latis Environmental is an Equal Opportunity Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, protected veteran status, or any other characteristic protected under applicable law.
