

Know The Times and Seasons

Heavenly Father, I am thankful, that we know you and that you know us. I am thankful that I know you have a good and perfect plan to save all that call on your name. As your word says, "you know how to deliver the godly out of temptation and reserve the unjust under punishment."

Father, because of your great love, that you have for us, you told us how to live in this present age You sent your spirit to live in us lead, guide and comfort us.

Therefore, I pray that by your Holy Spirit, You will teach us how to be watchful that we will know the times and the seasons. Teach us how to be sober in our thinking that we may clearly see what's going on around us as we face troubles and that we will know how to give an answer for what we believe.

I pray Father that you will make us as the sons of Issachar that we would understand the times and know what we ought to do.

In your word you told us to learn the lesson of the fig tree and to be watchful that we may not be caught unaware and trouble overtake us. So, I pray that you may give to us the spirit of wisdom and revelation in the knowledge in you. That the eyes of our understanding will be enlightened; that we may know the hope of your calling and the riches of the glory of Your inheritance in the saints, Amen and Amen!!
