

Prayer for Favor

God I thank you for your gracious favors that surround me daily.

I thank you that doors are opened to me that makes things possible for me beyond my doing. Lord I ask you to please release angels to go out and do my bidding for me today and make my paths wide so I don't miss my mark. Please prepare hearts of men to show me great favor wherever I go and help me to show them favor as well. I thank you, Father, that no good thing is withheld from me as walk a blameless walk with you. Lord I thank you that your free favors are bountiful in my life! Amen.
