

Pacific Workers' Comp Support

CA Workers' Compensation — Med-Legal Support for Applicant Firms

Base Service Package

Flat Rate \$325

Includes end-to-end medical-legal process support and coordination through report delivery:

- **QME Panel Request / AME Request Preparation**
Requesting QME panels/drafting AME requests for attorney submission, including coordination of required information and formatting.
- **Panel Review, Strike Tracking & Objection Support**
Monitoring strike deadlines, coordinating strike letters, and managing one round of objections if needed.
- **Medical Records Packet Assembly (up to 300 pages)**
Organization and preparation of medical records submitted to the examiner.
Additional fees apply per specialty. (*See Add-On Services*)
- **Service of Records & Notices**
Preparation of service-ready packets and cover correspondence for the examiner and opposing party.
- **QME Exam Scheduling & Coordination**
Scheduling, confirmation, and rescheduling of the examination as required.
- **Post-Exam Report Tracking**
Monitoring report status and coordinating receipt. Reports are sent directly to counsel with ADR Legal Support copied.
- **Case Closeout Package**
Concise medical synopsis, complete case timeline, record of all materials sent to the examiner, and a communication log covering all correspondence. (Typically delivered within several business days of report receipt.)
- **Ongoing Case File Access**
Continuous access to our case files pertaining to all your matters, providing full administrative visibility at any time.
