Keith Nelson, senior research hydrologist for the Arizona Department of Water Resources, has been with the Department since 1995. Previously with the Department, Keith worked as a water-research specialist in Groundwater Management and also with the Basic Data group, measuring hydrologic data in the field. Keith is a 1995 graduate with a bachelor's degree in Hydrology from the University of Arizona. Prior to college, Keith worked in the aerospace industry for Allied Signal (now Honeywell).
