## G & A Worms

Salomon Benedikt Worms, head of the Banking House of G & A Worms in London, was created an Austrian Freiherr, and ennobled, by the Emperor 27 March 1871. Royal Licence to use the foreign title in Britain was granted on 10 Aug 1874. He lived at The Lodge, Egham, Surrey, and died 1882. He married Henrietta daughter of S M Samuel.

His eldest son George, 2nd Baron de Worms, was born in London on 16 Feb 1829 and died in England on 26 Nov 1912. He was married in 1860 to Louisa only daughter of Baron de Samuel, and had houses in London, Egham and Hove, Sussex, and was (among other things) Vice President of the Royal Society of Literature 1896-1900, and a "collector of classical and historical works".

## Personal notes regarding the description of "Overprint" & "Hand stamp"

If you are a collector of these Overprints, Hand Stamps, you will find that many Catalogues refer to them as "**Pre-cancels**" and initially I also made the same reference.

However over the years that I have been collecting I have had the opportunity to examine many used Foreign Bills with overprinted stamps attached, and without exception every one examined has been further cancelled by either a manuscript signature or date, or by a Company cachet.

This being the case, then the actual overprint as such is an overprint and not a cancel. even the overprints with CANCELLED printed on them are in my opinion Security overprints, just like the Commercial overprints on Postage stamps.

I also believe that the overprints were printed onto the stamps whilst in the mint sheet again like the Commercial overprints on postage stamps, and were printed in this way as an anti theft devise.

The Hand Stamps, I would consider to be cancellations rather than overprints.

So in conclusion it is my personal view that the overprints are true security overprints and only the hand stamps are a cancel as such. All hand stamps featured below are marked as such.

Jeff Turnbull.
