LARGE SILVER

MEDAL WINNER

The 3 India Perfin Catalogues were winners of a Large Silver Medal at the 2025 EuroPhilex International Philatelic Exhibition at the N.E.C. Birmingham UK

Sincere thanks go to the Exhibition Judges for bringing Perfin Collecting into its rightful place in Philately

WARNING NOTE

Over the last few years since this catalogue was produced there are other websites in the Perfin world which have sprung up on the internet, they have copied a lot of this information.

Not only have these new websites copied their information from the Perfin Society website, with total disregard for Copyright laws, but they state that it is their own work.

I would not recommend using them, as their information in lots of cases is out of date and consequently incorrect, also the images that they portray are not true to scale.

One thing that you can rest assured about is the fact that the Perfin Society website is updated every few months to cover any new information that has been reported.

It is a great pity that there are such unscrupulous people in the stamp world, but unfortunately this is a fact of life and the scourge of modern times.

NOTES FOR THE COLLECTOR

Please note that all Perfin Revenue Catalogue numbers refer to the India Perfin Catalogue where appropriate, but be aware that in many cases the Perfin is only recorded on Revenue stamps, So in order to co-inside with the India Catalogue, new numbers have had to be used many with decimal places.

Abbreviations.

Vic-Rep	Between these reigns
Vic	Queen Victoria
EDVII	King Edward VII
GV	King George V
GVI	King George VI
Dom	Dominion (1947-1950)

All types of perfin have been recorded here, some will be classed as: -

- 1) Carpet dies (Large and through the document).
- 2) Paid Cancellers, (Perfin through the Cheque or Foreign Bill).
- 3) Punched Letters (Punched through the stamp).

Also worth noting is the fact that there are four (4) "Cancelled NBI Ld" Foreign Bill dies which are also frequently found on British Foreign Bills. This cancellation was used by the "National Bank of India Ltd".

A. ABID & C^o
HYDERABAD
DECCAN

ALBERT ABID AND THE SILK SOCKS.

Hyderabad's history is full of fables about foreigners who gave Hyderabad a new meaning and purpose. Albert Abid, a Jew from Armenia, gave Hyderabadis their first department store and a new name to an otherwise abandoned locality.

Abid's, one of the busiest business centres of Hyderabad, owes its name to Albert Abid, who set up a shop that served the needs of Hyderabadis from needles to grains and stationery to clothes.

As a valet of the Nizam, Abid looked after Mir Mahbub Ali Khan's wardrobe, the biggest of its kind in the world. It is rumoured that Nizam VI did not like to repeat his silk socks and the enterprising Abid would put the used socks back in the packet they came in and recycle them while his trusting master kept paying for new socks! If rumours are to be believed Abid also helped himself to the rings from his ruler's fingers when his ruler was in a stupor and promptly thanked the Nizam very profusely the next morning for gifting him the jewellery.
