

# MISCELLANEOUS REGULATIONS AS TO STAMPS 

## USE OF CUT OUT POSTAGE STAMPS

Embossed or impressed postage stamps cut out of envelopes, postcards, letter-cards, newspaper wrappers, or telegram forms issued by the Department, may be used as adhesive stamps in payment of postage or of telegraph charges, provided they are not imperfect, mutilated, or defaced in any way. Embossed or impressed Inland Revenue stamps cannot be used in payment of postage; and stamps indicating the payment of a registration fee may be used only for registered correspondence.

## IMPERFECT OR DEFACED STAMPS

Payment of postage cannot be made by means of imperfect or defaced postage stamps. Stamps are considered defaced when marked on the face with any written, printed or stamped characters. For Perforation, see next paragraph.

## PERFORATION WITH INITIALS

Stamps may be perforated with initials (but not with names or trade marks), provided that the perforating holes are no larger than those dividing one stamp from another. The work of perforating stamps with initials is not undertaken by the Post Office.
