NEW MEMBERS

We are pleased to be able to report the enrolment of another new member this month.

Mr T.A. Jones

CHANGE OF ADDRESS

Mr E.J. Enschede

Mr W.M. Brewer

AUCTION FINANCIAL STATEMENT

The results of our last auction were very pleasing and with all payments now made to vendors, the financial results were as follows,

Payment to vendors	£16: 6: 6d
Expenses	-: 2: -
Commission to Society	<u>1:14: 3d</u>
	£18: 2: 9d

PAYMENTS TO THE SOCIETY

Many of our American members are making remittances to the Society for subscriptions, Mr Jennings' book and auction lots by personal cheque. Whilst this is convenient for the member concerned, it is costing the Society money. The charge for cashing a cheque for \$1.50, for example, is 25c. Thus we lose one sixth, or two month's subscription each time a cheque is cashed.

It would be easier if International Money Orders were used, however, if our American members find it more convenient to use cheques, we must ask them to add 25c for the convenience.

Continuing on the subject of payments to the Society, would all members at home and overseas who make payments by cheques or money orders, please make them payable to the Society and not to individuals? It makes it far easier to pay the money into the Society's own account.

FURTHER INFORMATION ON HOSPITAL PERFINS

By K. Rymer Young

- C&K Chelsea & Kensington HMC. Created in October 1960 by amalgamation of Chelsea with Fulham & Kensington.
- DS/HG Dudley, Stourbridge & District HMC
- PH/NC Used by Plymouth & District HMC as well as Peterborough.
- SAH Used by St. Andrews Hospital Management Committed, Thorpe Norwich. The Group was amalgamated to form St Andrews & Hellesden HMC on 1st April 1964 but still appears to be using the same perfin. I have S/A/H with what might be a Norwich postmark.

All the above information has been received from Mr Clarkson of Leeds wrc also produces a cover from Edmonton (now in Enfield) Group with 05/18, and two covers from Rochford (in Southend Group) with 106 numeral perfins. The latter pair are not "code" envelopes.

I have 106 off cover with Southend postmark. Definitely more information is required on these odd "number perfins".

(Editor's Note: The 106 perfin is recorded as belonging)
(to the Southend Borough Council - see Council Listing)

- UC/H Mr Skelton finally settles this problem with the perfin on cover from Addenbrooks Hospital, Cambridge. Evidently this is a "double user" like PH/MC. Good current practice for Slopers nowadays, but it would never have done in the ld red days.
