HENRY FAULDER & CO. LIMITED,
STOCKPORT.

Loan-holder's Pass Book.

Business can only be transacted on the production of this Pass Book.

Interest at the rate of $\frac{5}{2}\%$ is allowed from date of deposit to date of withdrawal.

For sums above £100 One Month's notice of withdrawal may be required, but every facility will be given to depositors for withdrawing sums of any amount on the shortest notice.

Interest calculated half-yearly to 1st June and 1st December and payable the second Friday in June and December. If the interest is not withdrawn, it is added to principal as a deposit.

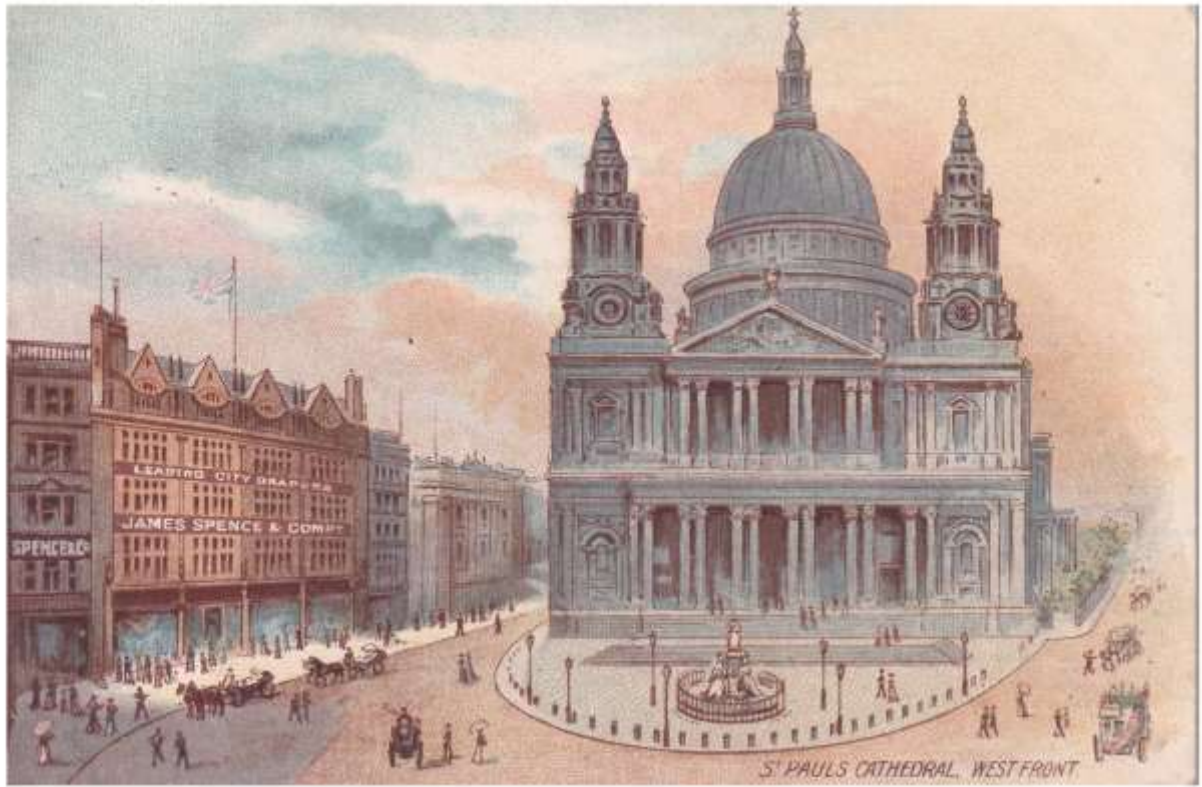

Loan Deposits may be made at the Manchester & County Bank or any of its branches, and all sums so deposited will be entered in Loan-holders' Pass Books, on presenting the same at the Registered Office of the Company.

In cases of Transfer all legal documents should be presented at the Registered Office of the Company.

"BIG BEN"

THE GREAT WESTMINSTER CLOCK, striking on "BIG BEN" in the Clock Tower of the HOUSES OF PARLIAMENT, was made and fixed in the Clock Tower in the year 1858, by F. DENT, the predecessor of E. DENT & Co., Ltd., 28 COCKSPUR STREET and 4 ROYAL EXCHANGE, LONDON, and has been in their charge ever since.

It is the Largest Striking, most accurate and powerful, Public Clock in the World. The first blow on "Big Ben" at each hour denotes correct time.

The FOUR DIALS are each 23 feet in diameter, the centres being 180 feet from the ground and are illuminated by high-power electric lamps at night. The figures are 2 feet long and the minute spaces 1 foot square.

The MINUTE HANDS are 14 feet long and weigh about 2 cwt. each; they are made of copper, and travel a distance equal to 100 miles each year.

The HOUR HANDS are 9 feet long and weigh about 6 cwt. each; they are made of gunmetal.

The PENDULUM is 13 feet long, beating 2 seconds; the bob of the Pendulum weighs 4 cwt.

The WEIGHTS of the Clock weigh nearly 2½ tons. WINDING is effected by electric motor, three times a week. There are 292 steps up to the clock room.

"BIG BEN," the bell on which the clock strikes the hours, weighs 13 tons, and the hammer weighs 4 cwt.

The 4 QUARTER BELLS weigh nearly 8 tons, viz.:— 3 tons 18 cwt., 1 ton 13 cwt., 1 ton 6 cwt. and 1 ton 1 cwt. respectively. THE CLOCK IS NOT AUTOMATICALLY SYNCHRONISED OR CONTROLLED but twice a day it telegraphs its time automatically to Greenwich Observatory, which enables its performance to be checked.

Above the Clock are the Emblems of the Three Kingdoms and the Principality of Wales.

The Chimes of "Big Ben" are set to the following lines:
 "ALL THROUGH THIS HOUR, LORD, BE MY GUIDE,
 AND BY THY POWER, NO FOOT SHALL SLIDE."

CI LNY 2015 YEAR OF THE GOAT

9312650684419

MINISHEET PACK OF 5

\$14.00

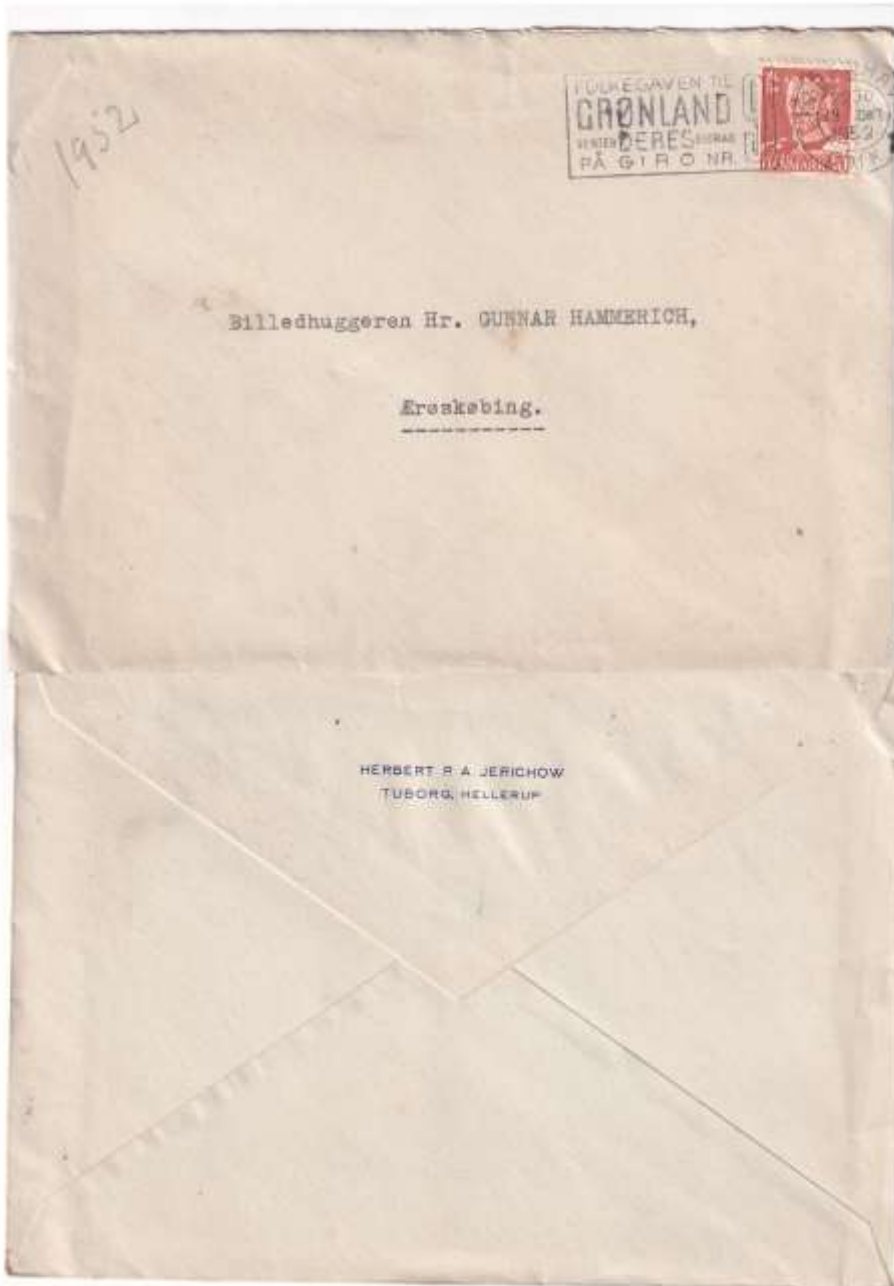

羊代表著如意、純潔和善良。土族婚禮中，男方必須贈予女方父母一只白羊，以替代女子待在娘家。同時，羊象徵著女子出嫁後大福鴻運，生活愉快。

At the Chinese Tu tribal wedding, the groom gives a female goat to his parents-in-law as a symbolic companion replacement for their daughter. It symbolises good nature, calmness, tenderness and purity – all the qualities of a good Chinese daughter.
