NEW MEMBERS

We are pleased to report that two more members have been added to our roll, and we are pleased to welcome,

Mr J. Batten 30, Sandy Lane, Walton-on-Thames, Surrey, KT12 2EQ
Mr P, Fleury 27, 3rd Avenue, Montreal 203 PQ, Canada.

DECEASED

We are sorry to announce that Mr F.H.B. Smith died in August this year. Mr Smith who was in his eighties was one of our founder members and played an active part in the early days.

Apart from G.B, perfins he was also interested in those of Eire, and it was through articles he wrote for "Green Isle Philately" under the pen name "Hibernicus" that he first became known to us.

The Secretary has written the usual letter of condolence to Mr Smith's next of kin.

RESIGNATIONS

Miss S. Green of Colchester and Mr T.A. Jones of Perthshire have resigned from the Society.

ADDRESS CHANGES

Mr D.W. Naylor now lives at 1, Peartree Cottage, The Square, Allonby, Maryport, Cumberland, CA15 6QD.

Mr P.C. Burgess has moved to 6/72, George Street, Norwood, South Australia 5067, Australia.

Maj. B.B. Coates has a new address of, 143, London Road, Temple Ewell, Dover, Kent.

Miss N. Wright has not moved but points out that our list of members puts 'Dalkey' in Co. Durham and not Co. Dublin as it should be. Sorry!!

SUBSCRIPTIONS

Subscription to the Society became renewable on September 1st. If you have not already done so will you let the Treasurer have your renewal as soon as possible. If we gett the list in time from the Treasurer, we will put a tick to the right of this paragraph if yours is due, as aa reminder.

MORE NEW MEMBERS

Since preparing the front sheet for publication we have been notified of two more new members, and we are pleased to welcome into the Society,

Mr T. Lagerwall, Klyvsagsgatan 23, S-416 79 Goteborg,
Sweden.

L/Cdr. J.E. Shew Jr. U.S.N. Department of Navigation, United
States Naval Academy, Annapolis,
Maryland 21402, U.S.A.

ILLUSTRATED CATALOGUE

We now have to hand some 50 copies of the worksheets mentioned in our last bulletin. These cover the letters K, N, O, Q, X, Y, Z and will be included with the bulletins of U.K. members only.

Since there are insufficient to cover all members residing in the U.K., and since it is not known to us which members intend to assist in this project, the choice of member receiving copies will be somewhat arbitrary. It is proposed to retain a few copies to cover the case of an 'assisting' member being missed out,, then the remainder will go into the envelopes as they come.

Please remember that all material, i.e. copies of unlisted perfins on loan, photo copies of unlisted perfins, or better examples of a particular puncture, should go to Basil Tomkins for processing.

RAILWAY PERFINS

Although we have not yet completed the issuing of worksheets we thought the time ripe to start publishing the information obtained to-date.

We would like to see the data eventually fully illustrated and published as a small booklet which might have a wider appeal than to just our membership. To this end we would like to have the fullest co-operation from members with returns on their railway perfins. The information we have right now is far from complete with less than 20% of our members returning worksheets, and any booklet produced at the moment would be the worse for it.

Please dig out back worksheets or compare the collated information with your collections, and let us have any hitherto unrecorded data.
