NEW MEMBER

We are pleased to welcome another new member to our ranks,
Mr E.W. Francombe 72, Scott Close, Emmer Green, Reading,
Berks, RG4 8NY.

CLOSED ALBUMS

It is with deep regret that we have learned of the death of another of our long standing members, Mr W.A. Mazurie aged 75, who died suddenly on 17th September. He was a member of several Philatelic Societies including the Railway Philatelic Group (G.B.) as well as our own, and apart from perfins he found great enjoyment in early postal history and G.B. Officials.

He was a fine philatelist and will be missed by his many philatelic friends.

Your Society has sent a letter of condolence on behalf of all members to his widow.

MEMBERS DOINGS

Although not in the perfins field we hear that Miss Norah Wright won a Silver Medal at the B.P.E. and Mr D.H. Geach won a Silver with the felicitations of the jury at ANPEX72

SUBSCRIPTIONS

We have just received from the Treasurer a list of some 35 members who had not renewed their membership at the end of November, two months after the date due. Looking through the list we notice that the majority are members whom we are sure will wish to retain their membership, and will get around to sending in their subscription.

We should like to point out, however, that this is the last reminder they will receive via the bulletin. Anyone not crossed off the defaulters list by the end of January will have received his last bulletin. So to ensure continuity let the Treasurer have a remittance before it is forgotten again.

The amount due is shown above.

It is a great pleasure to report that the Society's funds are in a healthier state this year, and that a surplus of £37 for the year has been achieved. The prospects for the coming year are not quite so good since our stocks of publications are becoming low.

Your Committee has decided to "invest" in 50 Premium Bonds, as is permitted by the Society's rules. This has been done in order to reduce the Society's cash balances to a lower level, which will still leave ample funds for paying the coming year's expenses and for the printing of the railway perfins book.

Membership at 31st August, 1972, stood at 106, a net decrease of 4 for the year.

It would be gratefully appreciated if members remember the following when making remittances:

- a) Remittances, other than annual subscriptions, will not be acknowledged unless requested.
- b) All cheques and postal orders should be made payable to the Society and not to individual officers.
- c) Members in the U.K. should only make remittances by stamps for amounts of 5p or under.
- d) Members who live overseas are asked to send bank notes where possible or, failing that, international money orders when making payments to the Society. Those in the U.S.A, who send cheques must expect to bear a substantial collection charge, which is likely to be as much as 30p per cheque. This charge is made on the Society by deduction from the proceeds of the cheque, so that all those members in the U.S.A., who wish to pay by cheque, must allow for this bank charge when making payments in this way. The Society's bank has also introduced a commission of 5p on cashing bank notes.

It now remains for me to thank the Officers and Committee for their support during the year, and to thank Ron Bowman in particular for his invaluable assistance.

R.R. HUSBAND Hon. Treasurer.

BELFAST & NORTHERN COUNTIES RAILWAY

BNCR
 13,13,8,,11 4mm.
 Cat. No. 514

Incorporated in 1845 as Belfast & Ballymena Railway. Its name was changed in 1860 and remained as above until amalgamated into the Midland Railway (England) in 1903
 Out of the 20 worksheets returned on this perfin, only two, from Miss M.E. Thornton and Mr K. Rymer Young reported any examples. These two members confirmed nine of the plate numbers quoted in Mr Jennings' book. The unconfirmed ones are those in brackets.

Queen Victoria 1d red plates, (161), 171, 181, (182), 192,
 196, 197, 201, 202, 214, 215.

CALEDONIAN RAILWAYS

Worksheet No.2 noted only one die as being used by this Company and quoted it as being the same as Cat. No. 641.1. The few examples given in the Worksheet were from the writer's own collection, and a further check shows these to be not as 641.1 but as Die 1 below.

C R
 8,12 5mm.
 13½ mm. wide
Die 1

C R
 8,11 5mm.
Die 2.

Several members reported holding examples of the Caledonian Railway perfin but did not query the size and number of holes.
 Other members stated that they had stamps with the right postmarks but with a 12 hole 'R' and 5mm. height (i.e. Die 1)
 Mr Redmond reported that his stamps all had an 11 hole 'R' but 5mm. height. This one we are provisionally calling Die 2.
 Since the situation is now a little confused, would members please recheck their examples and inform us of the sizes. There is no need to repeat the information about issues and values since this is on record, but a photographic illustration or tracing would help to clarify matter.
 When the revised information is to hand we will re-issue this sheet.

CANADIAN NORTHERN RAILWAYS

Mr Coates reports this one. He has two separate King George V 1912 1d stamps fiscally used, and bearing parts of the users name and address as follows,

CNR
 8,13,12
 6 mm.

DIAN NORTH ERN RAILWAY
 21 C RING CROSS
 LON

This is clearly the Canadian Northern Railway Company and it appears that the address was 21, Charing Cross, London.

Does any one else hold examples of this perfin?
