

THE PERFIND  
REVENUE STAMPS  
OF  
GREAT BRITAIN

The GB Perfin Society

**THE PERFINED REVENUE STAMPS  
OF GREAT BRITAIN**

**FOREIGN BILLS**

The following pages have been put together with the intention of helping the collector of perfined revenue stamps, it is by no means complete, hopefully collectors who have additional information will let me know the details, and more pages will be made up as and when.

As there is no present perfined Revenue cataloguing system I am adopting a new system, using the letter followed by two numbers and two decimal places.

**I.E.** A 23.01. Where the perfin is already catalogued in the New Illustrated, on postage stamps, then this catalogue number will also be alongside.  
At this moment in time only different Reigns will be used, with an accompanying list of stamps on which the perfin has been seen.

A Typical entry will be as follows.

- In use** Date range based on known dates.
- Dates** Earliest and latest known dates from Documents or Cancellations.
- Issues** Only different Reigns will be used  
Q Vic, EDV11, G V, G V1, QE 11,
- Ident** Company Name & address identified by Document or Cancellation.

Where the perfin is indicated by Typed letters, the letters have been reported, but the die remains unknown.

Where possible the illustration for each die has been taken from other catalogues, however a number of dies have had to be traced by hand, these illustrations are less accurate, and are symbolised by a .

Edited and Produced by

  
GB Perfin Society.

**This page is dedicated to the late Mr Kevin Parkhill of Rochdale, a keen Perfin Society member, who initiated this study of the Perfined Revenue Stamps of Great Britain.**

**I would not have been able to produce this catalogue, without Kevins notes, Papers and Correspondence from Perfin collectors around the world.**

**You all know who you are, many thanks for your information.**

PERFIN SOCIETY

SECTION ONE

FOREIGN BILL STAMPS

## INTRODUCTION

For the benefit of those who are not familiar with Foreign Bill stamps, I will give the following short introduction.

### **Perfined Foreign Bill Stamps.**

Foreign Bills were essentially bank drafts for transfer of money to a foreign country. Although the stamps were introduced in 1854, Permission to perforate them was only obtained on the 27<sup>th</sup> June 1870, so you will only see perfins on the stamps of 1870 and after.

The stamps were used as a Tax on the dispatch of Foreign Bills, hence the description Revenues. The company perfin if on used stamps is usually canceled by a manuscript cancel or by a private rubber cancel (most often in green, red, violet, or blue).

Combination pieces do exist, where you will find Foreign Bill stamps of Great Britain and Foreign Bill stamps of the country of destination, these are most common from India.

For the overprint collector there are also precancels of various Banks and Company's.

On the 16<sup>th</sup> February 1883 they omitted the  
word British, and removed the first "B" of  
the Die 06.00.  
The removal of the 18 in Die 06.00  
and what its meaning was, have yet to come to light.
