

SLOPER 5 REIGNS PLAQUE

Rosemary Smith

Some time ago, Mike Bament sent me a photocopy of one of Slopers 1939 plaques which was in the National Postal Museum. After comparing the perfin dies and stamp values to those on my own plaque, it was seen that they were identical. This led me to wonder if the other known plaques were identical too.

Derek Muggleton kindly allowed me to examine his plaque and Bill Cokayne sent me photocopies of two more, whose ownership he knew from the time he was a Directory at Slopers. This means I have had access to 5 of these plaques and it turned out they were not identical.

The chart on the following page gives a break down of the stamps and perfin dies. The first lot of details are for the two identical plaques. The plaque on the page after is a photocopy of the one, which is in the National Postal Museum.

The ½d bantams and 1d blacks were used stamps but all the other stamps used were mint.

* When I first acquired my plaque in 1992 and the initials RTF were seen on the ½d KGVI stamp, we could find no match in any catalogue or in the Sloper Ledgers. As I was trying to get some general information about the history of Slopers at that time Bill Cokayne suggested I write to Mr Earnest Laver who, some years previously, had been a Director of Slopers. My enquiry was a general one but in the reply from Mr Laver was included the almost certain answer to the RTF, M.M.F. and MMF dies.

 J. SLOPER & COMPANY LTD.

The Property of J. Sloper & Co. Ltd
 22, Budge Row, Cannon Street, London, E.C.4.

An advertising card produced in 1939.

In the mid 1930's, Percy Sloper, the last of the family in the business, died. The accountants and solicitors for the family sold the company to Mr R.T.Firminger and he became the Governing Director, taking a more active role during the war. His wife was Mrs M.M.Firminger and when her husband died in the mid 1950's she became Governing Director in name only. The RTF and MMF dies must have been the initials of Mr & Mrs Firminger, who were the owners of Slopers in 1939, and the dies made for use on the plaques. As far as I am aware, no other stamps with these dies are known. If anyone comes across these three dies I would suggest you have a very scarce perfin.
