D4710.09c DT 9,6 4½ Ø Daily Telegraph, Fleet St, London EC4.

Note: Identity *suspected* from a loose stamp with a London Newspaper Cancel. Die in use c1945, and may well be a Sloper Wartime Provisional.

L0595.01a LB/M 6,11/11 4½ Ø London Borough of Merton, Town Hall,  
The Broadway, Wimbledon, London SW19.

Note: Identity *suspected* from a loose stamp (reported by **Richard Smolnicki**) postmarked Wimbledon, the same postmark as can be found with "LB/M" (L0595.01M). Die in use 1970-1985.

**L3165.01** LILL(EY) 7,5,7,7,?,? 7 Ø Benjamin Lilley & Sons,  
Brassfounders, 54/56 Barr St, Birmingham.

Note: Identity *suspected* from a loose stamp postmarked 'Coded Time' **ID\*P** MR 2/96, ...am, '26'. Nottingham used 'Coded Time' only between 16 MY 94 and 2 Jan 95, so not them. However, Birmingham used 'Coded Time' with Cancel **#26** OC 22/94 through to MY 21/96, so the postmark is that of **Birmingham**. The only Lill... in an 1896 Birmingham Trade directory is "Benjamin Lilley & Son".

P4450.02 PS/&S 10,11/12,11 4½ IIIa Ø Peter Spence & Sons, Mfg Chemists, Alum Works,  
Holland St, Manchester. {'Braham' Die}.

Note: Identity *suspected* from a loose stamp postmarked (Manc)hester. Die in use 1895-1900.

S4330.01p S/L 9/6 4½ **Corrected user:**  
2. Ø Steinthal & Co, Merchants, Manchester.

Note: 'Steinthal & Co' is the typed name in the Sloper m/s ledger, which has been interpreted in the past as 'A E Steinthal & Co', Stockbrokers, London EC, but they have no provenance of ever having used Perfins. On the other hand, 'Steinthal & Co', Merchants, Manchester, are known positively to have used "**S&C**" (S1250.03M) 1890-1930, followed by the positively known use of "**SL**" (S4310.02a) 1930-1939 as 'Steinthal Ltd', but could easily be 1941. The Manchester firm is much more likely to be the intended recipient of any SWPs that were supplied, but of course we will have to await proof with a receipt or identifying cover to confirm the suspicion! The SWP [12-12] was in use 1941-1943.

W3020.02v WG/BC 14,10/14,8 5½ Ø Wood Green BC,  
Town Hall, Wood Green, London N22.

Note: Identity *suspected* without postmark evidence. Die in use c1939. This Sloper 'variable' was probably used after a mishap with the previous die, "**WG/BC**" (W3020.01) introduced in 1933 when the Local Authority was altered from an (Urban) **D**istrict Council to a Municipal **B**orough (Council).

W4830.02a WK/&S 12,9/12,9 4½ Ia Ø William Kingham & Sons,  
Provision Merchants, Reading, Berks.

Note: Identity *suspected* without postmark evidence, simply to match the entries for W4830.02/02b/02c//03. Die in use 1950-1952.

W4830.03p WK/&S 11,9/12,9 4½ Ia Ø William Kingham & Sons,  
Provision Merchants, Farnham, Surrey.

Note: Identity *suspected* without postmark evidence. There is no mention in the Sloper m/s ledger about an 'SWP', just straight into a new single headed "**WK/&S**" die, presumed to be S4830.02. Die in use c1941.
