I have previously reported finding an Atlantic Coast Line Railroad Company from their 294 Washington Street, Boston, Massachusetts location. The illustrated cover (photographically cropped to fit) from the railroad's Wilmington, North Carolina location confirms that the user's full name is not provided in *The Catalog of United States Perfins*. As previously, the *Bulletin* Editor has forwarded a photocopy to John Randall, the US Catalog Editor, for his evaluation. John Randall notes that this minor change will be incorporated into the revised catalog.
