

Richard L. Learn (#3265)

Here is another dilemma for the editor of the US Catalog. The illustrated cover, posted September 26, 1916, at Geneva, NY is franked with a 2¢ red Washington head punched with perfin pattern R66.5 - RGC. The user of this pattern is currently unidentified in *The Catalog of United States Perfins* by Joe and Dorothy Balough. Unfortunately, the initials RGC do not match the corner card's The Chase Nurseries, Geneva, NY. Perhaps a member with access to Geneva, NY city directories might be able to trace the initials back to a previous name.

A photocopy has been forwarded to the US Catalog Editor.
