
Additions to the List of Special Handling Perfins

Bob Schwerdt (505L)

Again, members have new denominations and patterns to those previously listed (*Perfin Bulletins* for October 2003 and April 2004). Sal Guarini provided most of this new information

With 109 types reported to date on over 150 denominations, Special Handling perfins are not as scarce as I had first surmised. There is plenty of opportunity for any collector to enjoy this specialty hunt.

Thanks to all contributors to this project!
