

National Tube Company - New York - N163

N163  
After 5 days, return to  
NATIONAL TUBE CO.,  
P. O. Box 542,  
NEW YORK, N. Y.

Mr. John E. Washburn,

Washburn & Garfield Mfg. Co.,

Worcester, Mass.

PERSON L.

Joe Laura, Jr. (#1238) submitted this cover showing that National Tube Company used its perfin pattern N163 from New York City in addition to the reported uses in Pittsburgh, and Ellwood City, PA. The New York usage is recorded in the Supplemental Information Section of *The Catalog of United States Perfins*. The illustration has been photographically cropped to permit publication.
