STAMPS NOT RECORDED AS PERFINS Bulletin 267 Pg 18-20.

The following members have sent in details of perfins which can be deleted from your list in Bulletin 267.

Martin Knight, Maurice Harp, David Scott, David Andersen, R J Wallington, J R Batten, Ian Hamill, Brian Smith, Alan Sandy, J Westcott, L Loshak, Frank Summers and Roy Gault.

When the following perfins have been taken off the list, very little remains.

Most of the members did give the perfin and Catalogue number as well as the stamp but although these will be kept for the records, I feel it is not necessary to record them here.

David Andersen says he would like to see a list of all the decimal commems which have been perfined. Anyone offer to be the contact for members to send the details of their commemorative holdings?
