

ANOTHER TOBACCO RELATED PERFIN By Rosemary Smith.

Bulletin 261/7-9; 262/6-7; 263/20-22.

Since W.W.I the social desirability and acceptance of smoking has gone from one extreme to the other.

During both world wars our troops were actively encouraged to smoke as a means of relaxation and easing tension and fear. This was particularly so during W.W.I when many charities were started to send 'smokes' out to the troops.

The following postcards show how two such charitable organisations collected money for the Tobacco Fund and the involvement of MARTINS LIMITED, Cigar Shippers of 210 Piccadilly, London W.I.

The picture side of the first postcard showed the actress Dorothy Langley who, like many artistes, sold her photograph for "The Performer" Tobacco Fund. The words on the bottom of the card read "A special arrangement has been made with Martin's Limited, 210 Piccadilly, London W., to pack and despatch these 1/- parcels duty free from in bond - - - "

The second card shows a soldier lighting up his pipe on the battle field and the caption reads "ARF A 'MO' KAISER!" This card is from "The Overseas Club" and that too had a Tobacco Fund in the 1st World war. Part of the printing reads "Every 1/- provides a 2/9d gift parcel for a man in the fighting line, viz.:-

¼lb Tobacco
50 Cigarettes
A Box of Matches and a
Postcard addressed to the donor"

This second illustrated item was one of these cards, addressed to New York and bears the perfin M/Ld of Martins Ltd.

It is also interesting to note that the following are named as Patrons of this Tobacco Fund, giving their blessing to the 'evil weed'.

Lt. General Sir Robert Baden-Powell, Chief Scout.

General Booth of The Salvation Army.

Rev. and Hon. Edward Lyttleton, Headmaster of Eton.

Miss Dorothy Langley is selling her photographs for the benefit of the brave men at-the-Front.

The money received is devoted to sending 1/- parcels (really 3/6 worth) of tobacco and cigarettes through "The Performer" Tobacco Fund.

And one of these photographs is enclosed in each parcel to liven up a Dug-out

Will you help to make the men happy?

The more photographs you buy the more cigarette-will be sent, and the more men you will make happy

N.Y.

My Committee are deeply grateful to all members and their friends who have so generously helped us to already through our Tobacco Fund more than half-a-million lb. parcels of Tobacco and Cigarettes to the fighting line.

And as something to smoke is the only possible form of happiness we can send them, my Committee ask for continued support for the Fund as long as the War lasts.

Every 1/- provides a 20 gift parcel for a man in the fighting line, viz.:-
1-lb. Tobacco,
50 Cigarettes,
A Box of Matches and a postcard addressed to the donor.

Every penny contributed is spent in actually purchasing tobacco. The entire cost of the organisation, postage, correspondence, etc., is borne by the Headquarters funds.
