

WEMBLEY EXHIBITION PERFINs

In issue No. 206 there was discussion of perfin used in the British Empire Exhibition of 1924/25. We have now received more information from non-member David Ogden (now returned to UK).

The following are added to the list:-

C.B	H	8,13	5½	on	1924	1½d
J/TS	2H	6/6,9	4½	on	1924	1½d
DM	H	14,19	9	on	1924	1½d

The latter is on an identified cover from "Daily Mail" dated 5th May 1924, which was prior to the date when stamps were supplied to the general public outside the Exhibition so was presumably purchased inside and used outside.
