

P61 - Additional Information

Dave Smith (#1514)

The cover shown at the bottom of this page gives us a meaning for the cryptic "D.D.P of Amn." listed in the *Catalog of US Perfins* for the user of perfin pattern P61.

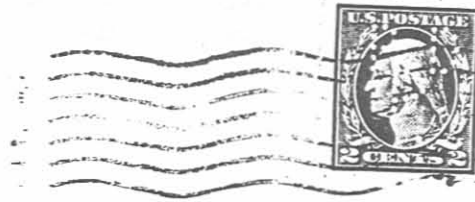

The corner card identifies the user as "The Brotherhood of Painters, Decorators and Paperhangers of America." It also lists Charles J. Lammert as the General Secretary and Treasurer (G.S.-T.) of the organization that used drawer 99, Lafayette, IN as its mailing address. A copy has been sent to the US Catalog Editor.
