

“Club Services” - Corrections to a Major Oops

Last month my page count just wasn't working out, so I cut-and-pasted an article about the Perfins Clubs services for members. The services described are all OK – however I failed to update a variety of details relating to several of them. Below in order of appearance in the article is presented corrected information

- **Perfins Club Auction** - The commission (to the Club treasury) for Material sold in Club sponsored auctions is 20%.
- **Perfins Club Library** - Doug Cutler –(not Doug Turner who is now Vice President of the Club) is our Librarian – and Doug Cutler is again open for business (see last page for new contact information).
- **Perfins Stamp Sales** - Robert Combs, Sales Manager for the Club, suggests the following as a guideline for members submitting stamps for sale: A - \$4 and up; B+ - \$3 and up; B - \$2 and up; C+ - \$1.50 and up; C - \$0.50 and up; D - \$0.25 – 0.50 ea; E and, F – \$0.05 – 0.25 ea. However Bob also added that it is the seller who sets the price for his/her material.
- **U,S, Catalog Chairman** – The position of US Catalog Chairman has been filled by Brad Baker – (see last page for info).

- **Awards** - Under “Hallock Card Award” we obviously were not soliciting nominations for the 2004 award at the time of publication, and further confusing the description was the fact that although Rudy was Vice-President of the Club and chaired the nominating committee in 2004 neither statement is true in 2007.
- And the same problem occurred with the Floyd Walker Award: Bob Szymanski is neither the current Club President nor the person to whom nominations were to be made.

For an article that was supposed to help members understand Club activities, I certainly confused the information! While this is easily explained as cut-and-paste (or my more normal “fingers-faster-than-brain disease,”) it should not have happened in this article! I am sorry for the confusion which this poorly edited article may have caused.

In addition to the corrections and changes noted above there have been a large number of changes to addresses, phone numbers, and e-mail addresses among the officers, chairmen, and directors on the last page. Please check the changes and correct your contact information accordingly.
