Just up in London for a few days. Weather is good. Having a nice time. I have not written you before about those Eleeter Lamps. The name of the one we use is the "Robertson" you can buy them from any Electrician or Ironmonger. We find they give a much better light than any other. Make & last considerably longer. I forget the price but know I have saved money by using them. Write soon. Kind regards - Jack -!

While the Authority are doing all they can to safeguard the goods, enemy action has caused, or may cause, damage to the premises. In order to minimise or obviate damage the goods are being moved. Please note that charges for this work will be for your account.

It is understood that under the terms of War Risk Insurance it is necessary for Assessor's inspect damage prior to delivery of the goods as otherwise claims would not be admitted.
