Dear Madam,

16 & 18 Holme Church Lane, Beverley.

My Council have had under consideration the question of the sanitary conveniences at the above property, of which I understand you are the owner. It appears that the contents of the existing conveniences cannot be removed, except by being carried through the house. This, you must agree, is a very unsatisfactory and insanitary state of affairs, and I am instructed by the Council to ask that you will take early steps to convert the conveniences in question to the water carriage system. I shall be glad to hear from you on the matter.

Sincerely,
ithfully,

Mrs. L. Walters,
