# About Battle 4 the Eagle

# Battle 4 the Eagle at the Writers Bench Event

The **Writers Bench**, located at the **Logan Square Eagle** in Chicago, was initiated over 35 years ago by **BboyB** and the *Artistic Bombing Crew*. It's a place where Chicago's underground Hip Hop community members come together to celebrate all elements of the culture; *Graffiti, DJing, MCing, & Breakdancing*.

To preserve the history, pass it on to future generations, and celebrate the culture, **Breaker Ray** and **BboyB** created the first **Battle 4 the Eagle** in 2004. Renegades of Funk organization now hosts this 20-year old Chicago tradition!

*Logan Square Park is located at 3150 W Logan Blvd, Chicago, IL 60647*
