Comments:

1. Ken Brose is a sketch artist with portrait sketches of famous actors. Mr. Brose also has a hand-made framed sketch of a paddlefish. **Where else in Glendive can you find a replica of a paddlefish?**
2. Tana Kiel is a stained glass artist with a specialty in plated stained glass. **Where else in Glendive can you find a building with stained glass?**
3. Eileen Crane uses old and weathered fence posts and converts them into beautiful vases. **What is another favorite use for old fence posts or barn wood?**
4. Wayne Haas welds horseshoes together into new and creative metal sculptures. **Where else in Glendive can you find welded metal sculptures?**
5. Laurlee Harbig specializes in creative book binding, sometime rescuing old books and giving them a fresh look. **What is a common book that is often passed down in families?**
6. Patrick Huston carves scenes and faces into wood and logs. **Where else in the Glendive area can you find a log structure?**
7. Cheryl Kolberg is an artist with many talents. One of her favored pieces are her stained glass crosses. **Where in Glendive can you see a cross from just about any location?**
8. Kathy McLane finds creative ways to add *bling* to native animal skulls such as antelope, bison and bulls, using agates and other gemstones. **Where is the best place in the area to find agates?**
9. Dawn Mittelstaed wood burns and creates novelty pieces with Montana themes on Baltic Birch. One such piece is a magnet with Montana's state flower. **What is Montana's state flower?**
10. Bailey Palmer constructs framed wood art often representing Montana skies and landscapes with straight pieces of wood sometimes placed in triangular and "A" shapes. **Where in the Glendive area can you find A-Frame shaped structures?**
11. Mya Winters' paintings at The Gallery give us colorful perspectives on wild animals. **Where else in Glendive can you find "The King of the Jungle"?**
