# THE BARRACKS

## AN INSPIRING BACKDROP

Roving Larder Cooking School is nestled in the heart of the historic **Manly North Head Barracks** precinct. The space beautifully blends **heritage charm** with modern amenities, where **original brickwork** evokes the building's storied past. The **high ceilings** and **large, light-filled windows** create an open and inviting atmosphere, perfect for intimate gatherings or larger crowds.

Warm touches like **hanging herbs, lush greenery,** and **vintage-inspired French décor** bring a cozy, welcoming feel to the space, while still honoring its **roots**. The venue can be effortlessly styled to suit your event's theme with customized **decorations and seasonal details**. At Roving Larder, we're delighted to work with your vision—creating an atmosphere where **creativity and culinary magic come together**.
