Dear Timeshare Owners,

Some timeshare owners have been requesting alternatives for Breckenridge lodging after their unit has been converted to whole ownership. This has included opportunities to rent and also to acquire another timeshare week.

Most whole owners at Woods Manor rent their unit. Renting allows visiting Woods Manor during different times of the year or renting the week previously owned. There are many other condominium properties that are also available for rental throughout Breckenridge. Some popular websites include:

www.vrbo.com (Vacation Rentals by Owners)

www.summitrentals.com (Summit County Mountain Rentals)

www.airbnb.com (Air – Bed and Breakfast)

www.redweek.com (Red Week – a by owner timeshare rental and sales service)

www.myresort.network.com (My Resort Network provides info on timeshare sales and rentals – just search by state)

www.smtn.com (Sell My Timeshare Now)

For those of you wanting to continue timeshare ownership to have a place and time to vacation or to deposit with RCI or Interval International, there are many alternatives in the Breckenridge area and, of course, worldwide. Listed below are two timeshare properties in Breckenridge that you may want to contact for further information: Gold Point Resort and French Ridge Condominiums. Gold Point offers studios to three-bedroom deluxe penthouse units. French Ridge also offers a variety of unit types and is affiliated with RCI. Both properties offer updated unit interiors. French Ridge is at 416 Ridge St., one block east of Main Street, Breckenridge. Gold Point is a few miles up Boreas Pass, next to free bus service to town. Gold Point offers outstanding views and private garage parking. The websites are:

www.goldpoint.com (Gold Point Resort)

www.frenchridgehoa.com (French Ridge Condominiums – their website lists owner and HOA-owned weeks for sale)

The websites I have listed will provide a myriad of affordable options regarding timeshare buy/rent opportunities. Always remember – asking price is negotiable.

Let me know if I can be of further assistance.
