2021/2022 FREESTYLE – SERIES #2

Nov 9th – Jan 9th, 2022 (No Ice 11/21, 11/25, 12/12, 12/26)

- Contracts are due no later than Nov 2nd, 2021.
- Late contracts are not eligible for the complimentary Freestyle pass.
- Skaters may walk-on to all sessions for an additional \$2/session.
 - Skaters may not pro-rate contract dates.
- MVSC reserves the right to cancel any session due to low enrollment.

Freestyle ice is available to figure skaters who are receiving private lessons and/or taking part in practice sessions. Skaters may do Dance and Moves in the Field on all sessions offered. **Skaters must be a member of US Figure Skating or LTS USA in order to skate on Freestyle ice.** Please contact the Director, Alice Sedgwick, for info regarding how to begin private lessons. Coaches who are interested in teaching on this ice (and on Public Skating sessions) must be approved by MVSC and Shamrocks Rink Management.

A 50% deposit is due with your registration. **Your final payment is due no later than Dec 11th, 2021.** Please note that there will be a 5% late fee applied to all late balances each week past the due date. Skaters will not be allowed to contract future sessions until their balances are paid in full. Skaters must sign in when they take to the ice (folder in the hockey box area). There will be a limit of 18 contracted skaters allowed on each session.

Skaters will receive one Freestyle pass for each 50 or 60 minute session they contract. Passes may be used as a replacement for any session that you miss throughout the current session, a medical absence make-up or as an extra session. Please read medical absence policy below. Please turn in your pass and mark it under the appropriate date in the FS book when you arrive for your make-up session. Replacement passes will not be given out should you lose your original. Any skater who contracts all 5 sessions is eligible to claim a \$25 credit towards your next Freestyle contract.

Walk-on skaters will be allowed if space permits and will be charged an additional \$2 per each session skated. Skaters must pay for walk-on session when they get on the ice. There will be no exceptions to this rule as bills for walk-on sessions will not be sent. Checks should be made payable to MVSC and, if paying with cash, exact change is greatly appreciated.

Please mail application, waiver (if you haven't already), and 50% deposit to:

PLEASE NOTE ALL MVSC RULES: Skaters may not pro-rate the freestyle contract dates. There will be no confirmations sent. You will be notified with any changed information. MVSC reserves the right to cancel any session due to low enrollment. Other than the skating passes (noted above) there will be no make-up sessions and only medical refunds will be granted. Medical refunds will be released once a doctor's note is provided. Skaters must use their freestyle passes to make up missed sessions before a medical refund is configured. Skaters will only qualify for a medical refund after 2 consecutive days of contracted ice that is missed. Your 50% deposit and completed waiver must accompany your registration. The final balance must be paid no later than Dec 11, 2021. There will be a 5% late fee applied to all late balances each week past the due date. Skaters will not be allowed to contract future sessions or participate in Club activities until balances are paid in full. Skaters are not allowed to switch one session for another or trade spaces with another skater. FS passes will be given out upon request for any session that is cancelled due to reasons beyond our control (snowstorms, power outages, equipment malfunction at the rink, etc).
