About our Vegan Pizzas

Our Dough is the same as our regular crust made with OO Flour, Reverse Osmosis Water to mimic the European water profile, Yeast & Sea Salt.

Our Vegan Cheese is Coconut Based made by ViOLife Foods, Our Vegan Pepperoni is made by Happy Little Plants and we are the only carrier currently in South Florida. Our Tofu Chicken is pressed in house and prepared Sous Vide.

We cut the pizzas using different pizza wheels than our non vegan menu.

Now you know.
