## ABOUT RYTHUBADI

Rythubadi Digital Media. Top and Largest company providing Agricultural information in Telugu since 6 years. 17 Lakhs Subscribers in YouTube. 7 lakhs followers in Instagram. 6 lakhs followers in Facebook. Our Rythubadi is the number one in all these platforms in this Agricultural content category. It has technical strength, also genuine viewership. In YouTube Rythubadi published 1300+ videos, its reached 120 Crores of views. Also we got another 50 crores views in Facebook & Instagram pages too.

## AGRISHOW VISION

Our aim is to introduce new agriculture to the farmers who are not yet able to use digital media and internet. That is why we are organizing these agricultural exhibitions. We are working near the rural areas so that it is accessible to most of the farmers. We are working with the aim of organizing 2 to 4 exhibitions in two Telugu states every year. We will move forward with the cooperation of farmers, organizations and companies working for agriculture.
